Haringey Palliative Care Services Directory

APPENDIX		
Haringey District Nursing Service		
General Overview	Daytime Provision	Evening / Night Provision
<p>The Haringey District Nursing Service, based at the Whittington Health provides nursing care to the residents aged 16 years or over in the London Boroughs of Haringey and Islington seven days a week, 365 days a year. We work in domiciliary settings (patients own homes and residential care homes) and in primary care clinics. Although we provide nursing care to predominately housebound patients, we are also commissioned to provide ambulatory care, including leg ulcer</p>	<p>The Haringey District Nursing Service comprises separate teams according to time, location and specialty. There are eight daytime teams working 08:30 – 17:00, as follows:</p> <ul style="list-style-type: none"> • North Islington • Central Islington • South West Islington • South East Islington • West Haringey • Central Haringey • South East Haringey • North East Haringey 	<p>There are two twilight teams and two leg ulcer clinics, one each in Haringey and Islington. The twilight teams currently work between 17:00–00:00. The overnight team works 22:00–08:00. The professional development team is responsible for quality monitoring and the continuing professional development of staff within the service.</p>
Patient Referrals		
<p>Referrals to the District Nursing Service are received via one of the community central referral administrative teams. We are a highly responsive service and our waiting time for urgent referrals is just two hours. Outside normal office hours, referrals are received</p>	<p>Referral may be made using the standard referral form produced by the North London Palliative Care and Care Network and distributed by community and hospice services.</p>
