

Flowers or no flowers at the funeral?

We know you are presently experiencing a very difficult time but have you considered asking friends and/or relatives to make a donation towards the work of the Hospice rather than send flowers to the funeral?

Perhaps you may like to have flowers from immediate family members only and ask others to make a donation instead.

Donations to the Hospice are very much appreciated and will help us continue our care in the future.

We are a registered charity and it costs more than £8 million every year to fund our services. Although we receive some government funding, we rely on donations and legacies to meet the cost of providing over two thirds of our care.

To help you, we can give you donation envelopes to distribute to your friends and family. We can also provide your place of worship or crematorium with a notice acknowledging that donations are being given in lieu of flowers. This can be displayed wherever you decide is best.

Please contact the fundraising department on 020 8446 2288 if you would like some envelopes and/or an acknowledgement notice or require any further information.

Cheques should be made payable to North London Hospice.
